

100TB Assembly Reference

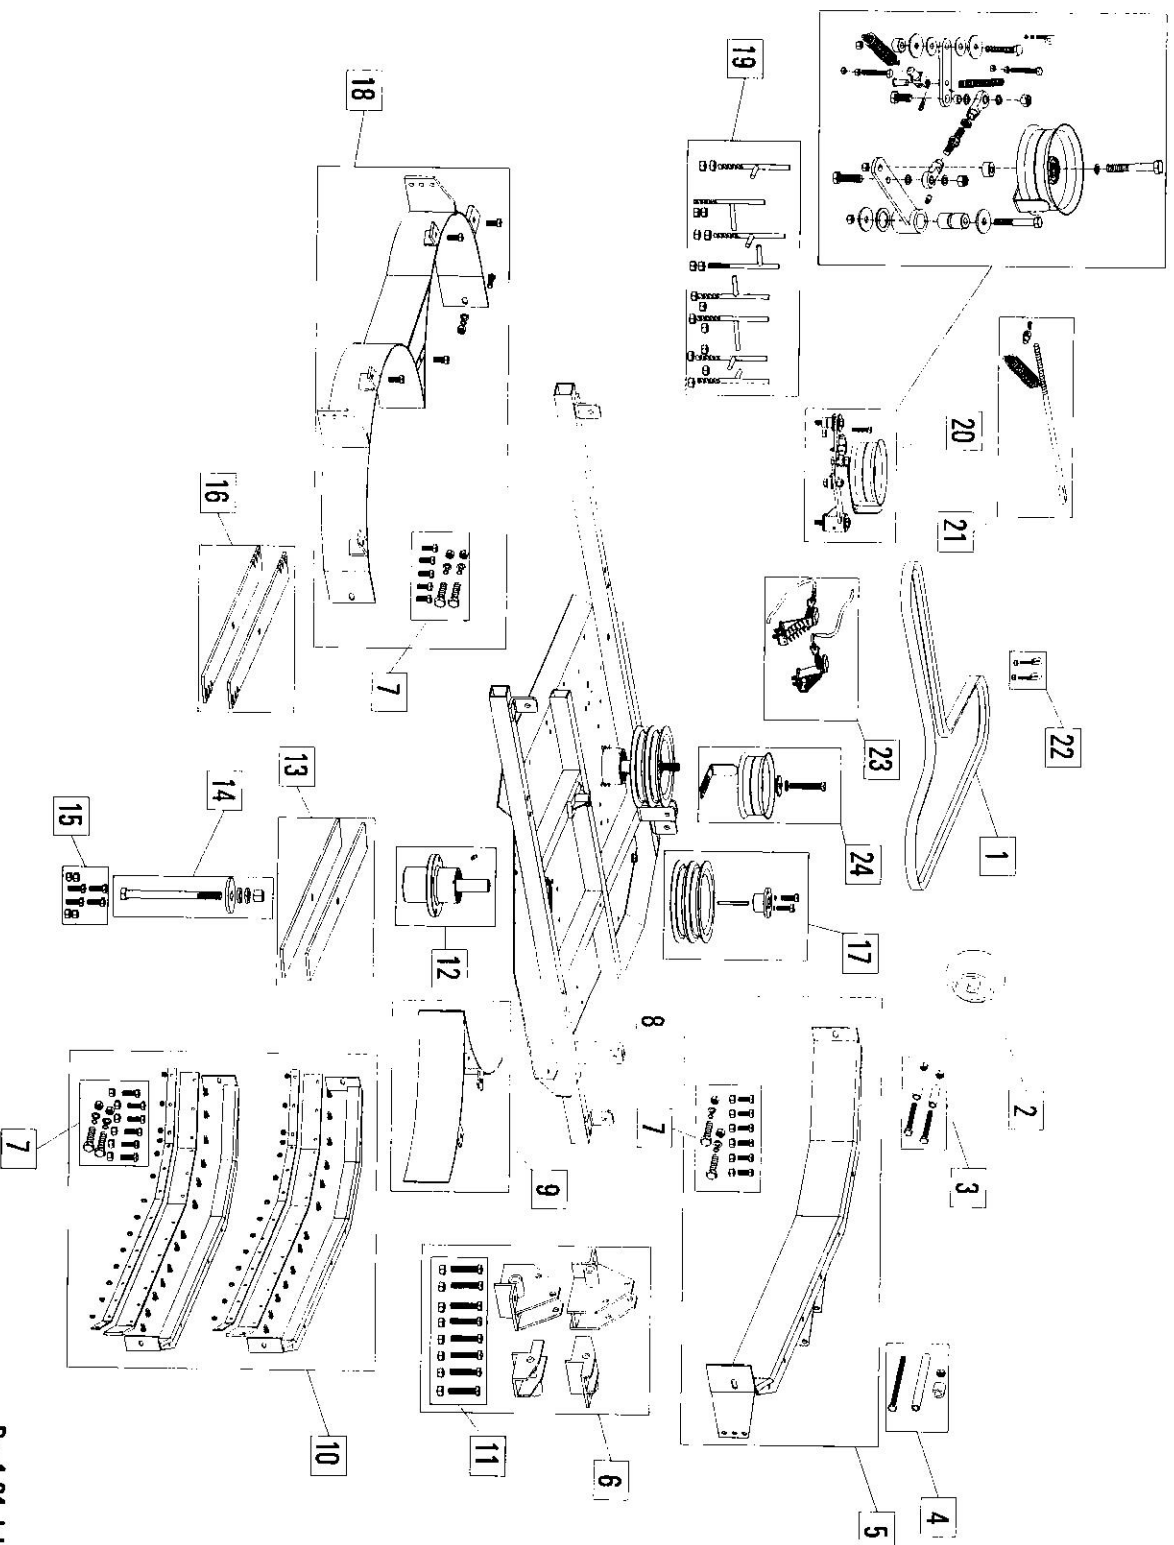

100TB Main Deck Assembly Reference

Rev1.21.Jul.2012

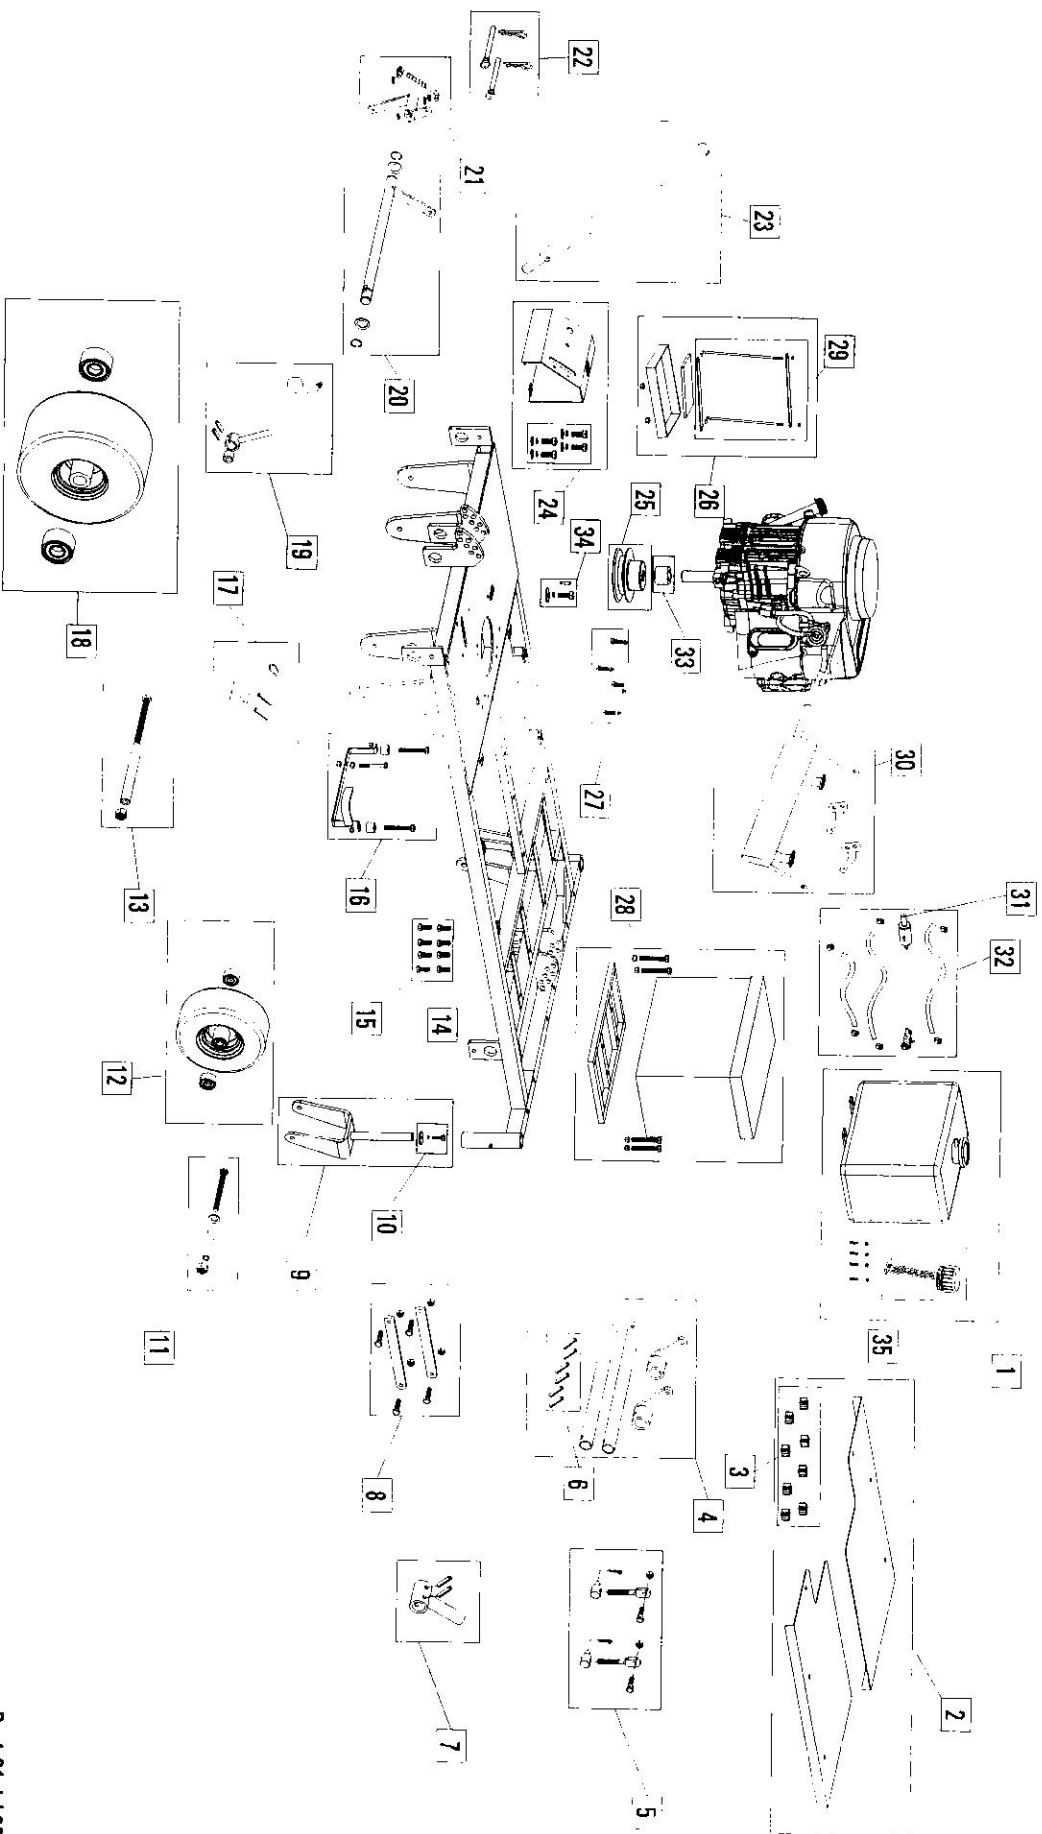

100TB Main Deck Parts Diagram

100TB" Main Deck Diagram Key

Item #	Gxi Part Number	Description
1	M10-001104	Belt MXV5-1100..
2	M10-000458	Scalping wheel, Z, W, 5" plastic.....
3	SP11-000087	Hardware kit, scalping wheel, set of 2 bolts, washers, locking nuts, and bushings.....
4	SP12-000231	Hardware kit, double scalping wheel, center set, bolt, washer, locking nut, and bushing..
5	SP13-000408	black with hardware...
6	SP13-000409	Wing mount assembly kit, black, include rear and front, left and right with hardware
7	SP13-000410	Hardware kit ...
8	M10-000963	Tow-Behind Main Deck - Orange....
9	M10-000999	Mulching panel - front - Orange..
10	SP12-000340	Front and rear rubber guard assembly, 100TB, 100TS, black, include front rubber guard mount and rubber strap, hardware...
11	SP13-000411	Hardware kit ...
12	M10-000928	Cast Steel Spindle Assembly
13	SP13-000412	Rough cut blade, set of 2, 100T...
14	SP12-000338	Hardware kit, 100T main deck, blade bolt, washer, spacers, and nut..
15	SP11-000086	Hardware kit, Z, W, spindle fastening, set of 4 bolts and nyloc nuts..
16	SP13-000401	Mulching blade, set of 2, 100T...
17	SP13-000413	Pulley, 100T main deck, double-V deck pulley and taper lock bushing and hardware
18	SP13-000414	black with hardware...
19	SP13-000402	Belt retainer kit, 100T, main deck pulley, includes hardware..
20	SP11-000061	deck clutch assemblies for 100T- including spring and connection to clutch arm..
21	SP12-000319	Rod kit, deck engagement, 100T, included threaded rod end, spring and cotter pin...
22	SP11-000006	Eye Bolt Kit...
23	SP13-000404	Spindle brake kit, 100T, include springs, cables and hardware
24	SP13-000403	100T idle pulley kit, 5", includes bolt, locking nut, belt retainer and so on

100TB Frame parts Diagram

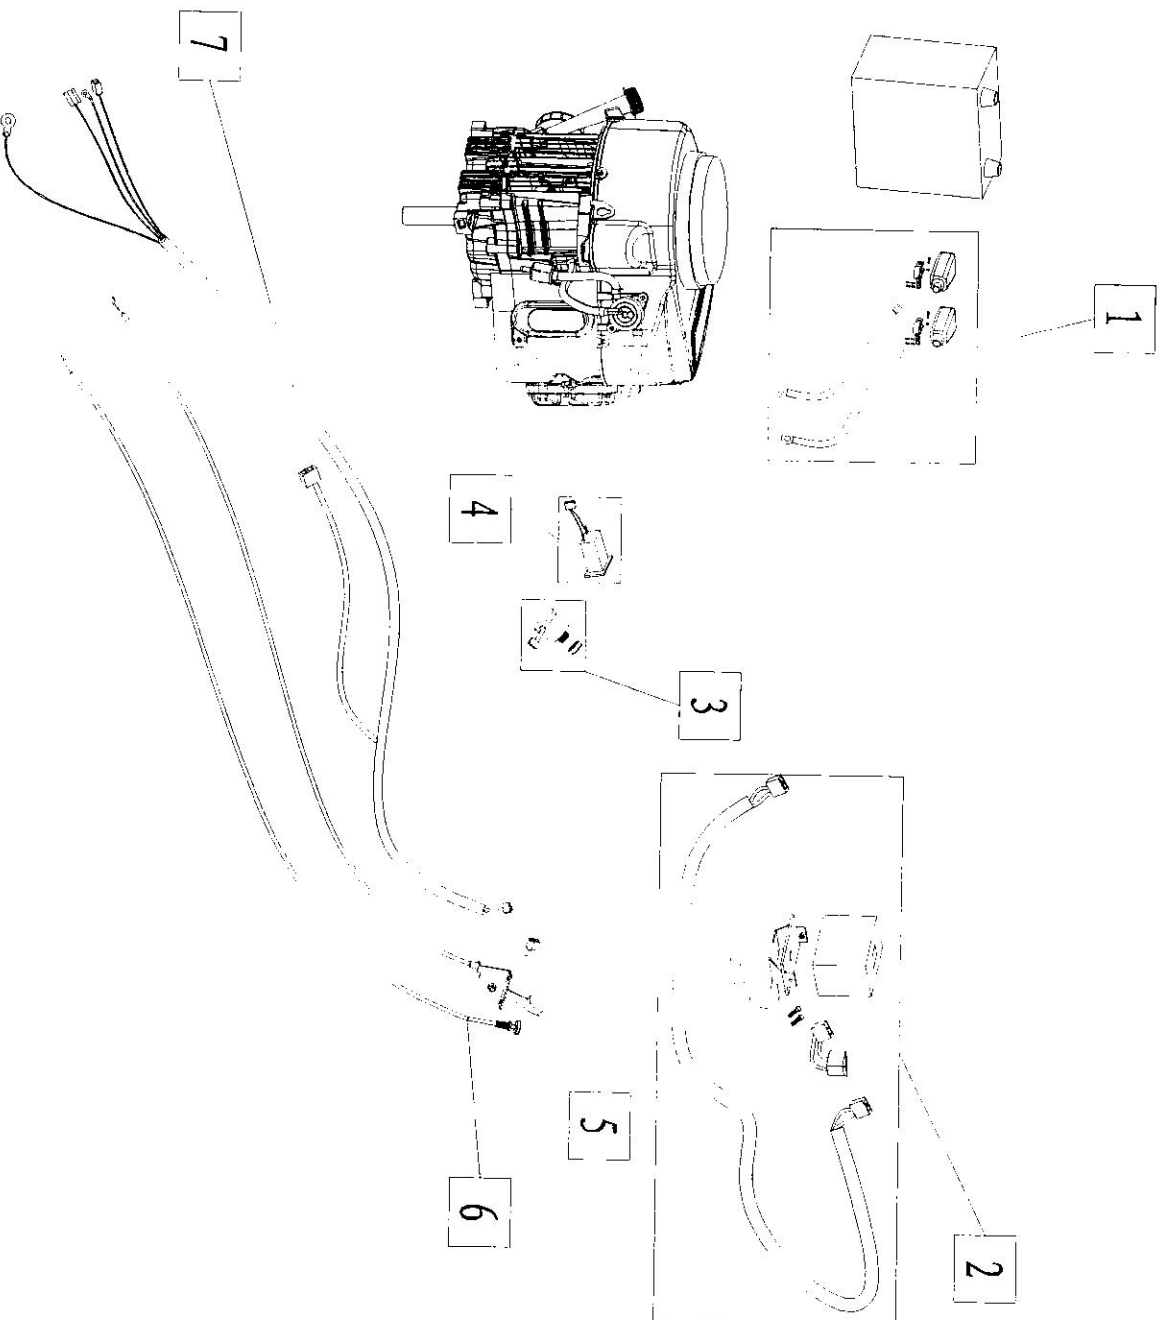

100TB* Frame Parts Diagram Key

Item #	Gxi Part Number	Description
1	SP13-000415	Steel fuel tank assembly,100T ,include fuel valve, mount bar, tethered fuel cap,hardware
2	SP12-000331	Main deck guard assembly,100TB ,grey,include right and left guard,label,8 knob....
3	SP13-000374	Hardware, guard knob kit, set of 4
4	SP13-000432	Height adjust tube kit,orange,100TB, front and rear ,include adjust tube and end with Spring roll Pin...
5	SP12-000336	Deck height lift rod assembly,100T , include height lift rod and height lift end,cotter pin,sets of 2 ...
6	SP13-000417	Spring roll Pin kit,include two style,one is F10 , another is F8
7	SP13-000433	Front handle receiver, orange, 100TB, with two spring roll pin
8	SP13-000419	Tow behind front stabilizer bar,black, with hardware
9	SP13-000434	Front wheel yoke, 100TB, orange, with assembly hardware to frame, axle NOT included..
10	SP11-000140	Hardware kit, Z, W, retaining hardware for front wheel caster, includes, bolt, fender washer, and lock washer..
11	SP12-000326	Hardware kit,W, front wheel axle bolt and axle hardware.....
12	SP12-000329	Front tire assembly, W, with bearings pressed into rim hub, ribbed 9" x3.5" x 4" tire
13	SP13-000421	Hardware kit, tow behind, rear wheel axle bolt and axle hardware.....
14	SP13-000435	Frame assembly, 100TB, orange, includes brass wheel bushings, and grease fittings....
15	SP12-000341	Hardware kit,W,use for fasten the deck guard...
16	SP13-000423	Engine belt retainer assembly,100T ,include hardware and belt retainer...
17	SP13-000436	Rear handle receiver, orange, 100TB, with two spring roll pin
18	SP12-000335	Rear tire assembly, 100T , rear tire mounted to rim, with bearings pressed into rim hub, ribbed 13*6.5-6 tire..
19	SP12-000339	Blade engage handle kit, 100T ,include roll pins, plastic sphere knob,blade engage pivot tube...
20	SP13-000425	Blade engage pivot tube kit, 100T frame, include pivot tube, washer, snap rings
21	SP13-000426	Blade engage pivot kit, 100T frame, include engage pivot , rod and so on
22	SP13-000427	Tow behind height adjust pin,frame, set of 2,include height adjust pin and cotter pin
23	SP13-000437	Height adjust handle, orange, 100TB, with handle grip
24	SP13-000438	Control panel,orange,100TB, with label and hardware
25	M10-001057	tow behind engine pulley..
26	SP13-000430	Battery pan kit for 100T mower, includes tie down posts, strap, and hardware..
27	SP12-000195	Hardware kit, engine mounting bolts, 48ZS/54ZS/62Z, Kawasaki engine....
28	SP13-000431	Tow behind mower tool box kit, include tool box and hardware
29	SP13-000109	Battery tie down kit, W, includes tie down posts, strap, and hardware..
30	SP12-000211	Muffler, 54ZB, 36BB, 36FB, 54FB, 100TB, Subaru EH65V, 22hp, with hardware and gaskets..
31	M10-000535	fuel filter..
32	SP11-000105	Fuel system kit,Z, fuel supply line, fuel valve, filter, fuel tank breather line, and 6 hose clamps..
33	M10-001058	tow behind engine pulley spacer..
34	SP11-000107	Hardware kit, engine pulley retaining hardware, Z, W, key, washers, lock washer, bolt

35	M10-001409	Fuel tank cap, for steel tank, plastic, with tether, sealed
----	------------	---

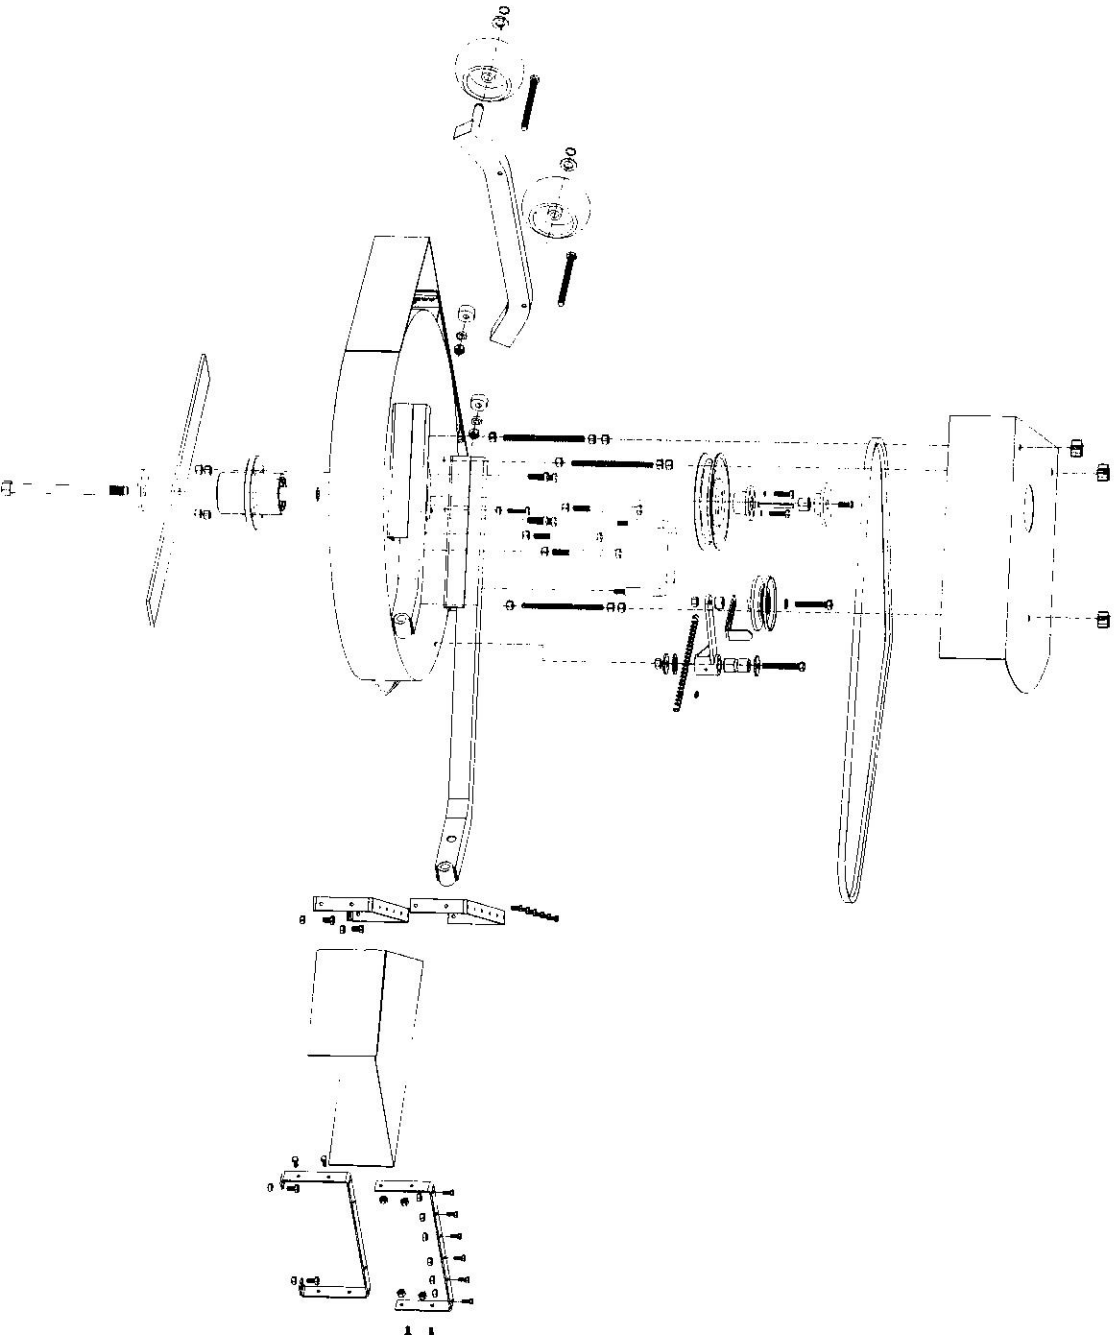

100TB -Engine Mechanical/Electrical Control

Rev1.21.Jul.2013

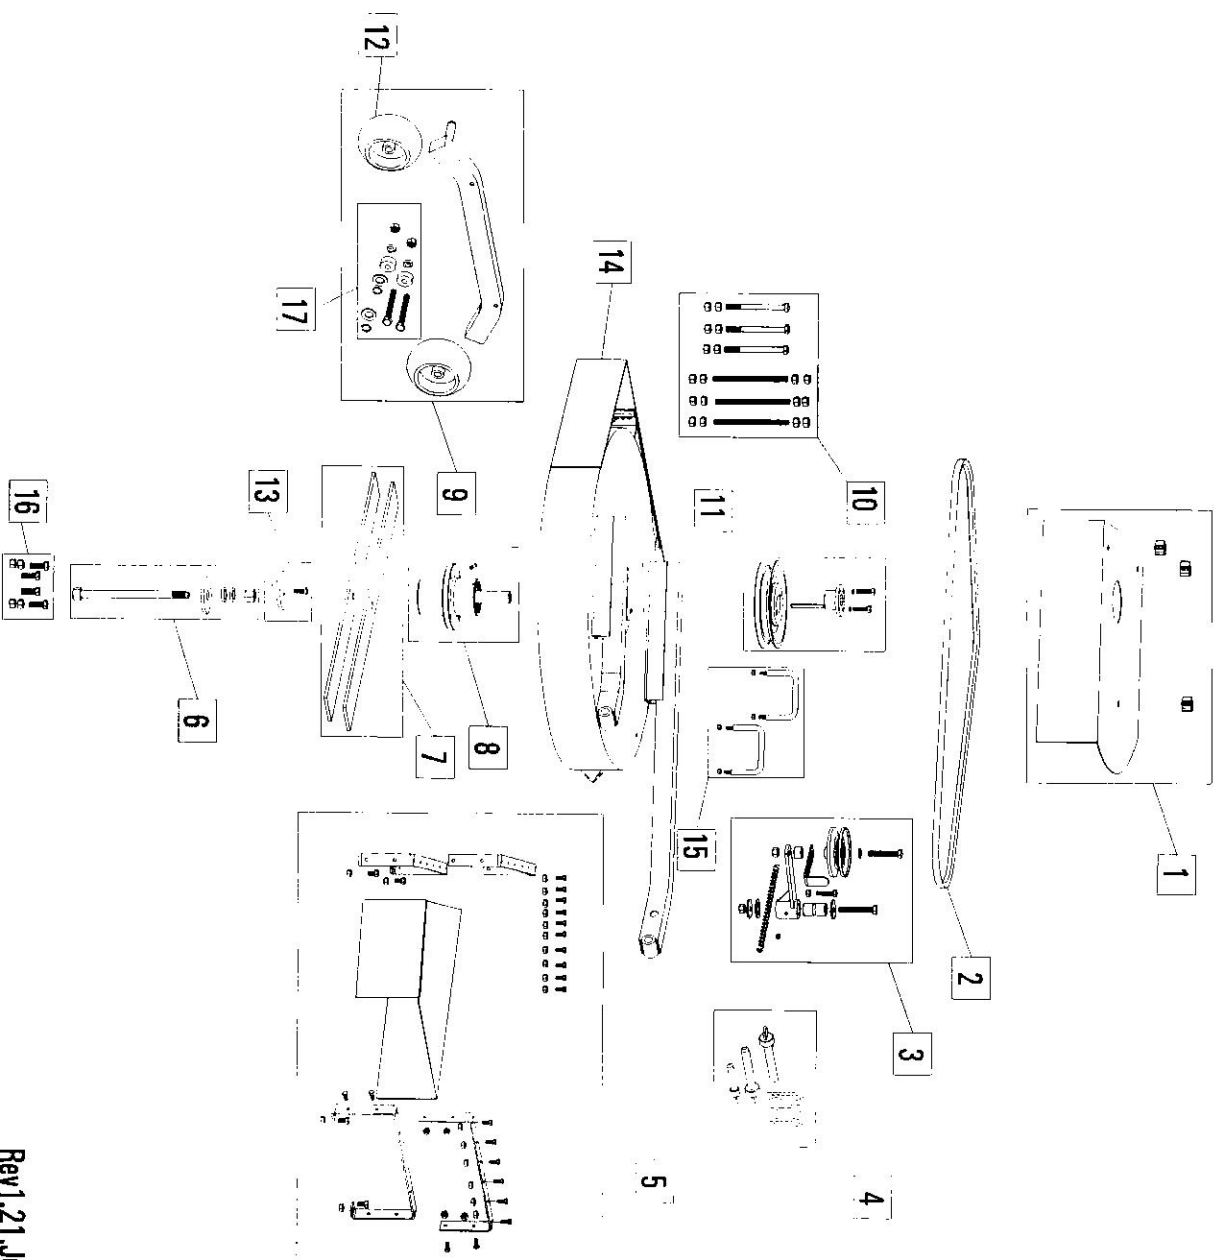

100TB" Engine Mechanical/Electrical Control Diagram Key		
Item #	Gxi Part Number	Description
1	SP11-000066	Battery cable set, walk behind, includes terminals, terminal covers, positive and ground battery cables, solenoid to starter cable
2	SP12-000327	Tow Behind Remote Engine Shutdown Assembly -Orange (M15809)
3	M10-000539	Switch, 3 position, Z, W, with keys, 3 pin and 2 pin female plastic plug
4	M10-000541	Hour meter, Z, W, with soldered pigtails and female plastic plug
5	M10-000876	throttle cable 1270mm..
6	M10-000877	choke cable 1295.4mm..
7	M10-001594	Wiring For 100TB Subaru EH65V Engine..

100TB Left Wing Assembly Reference

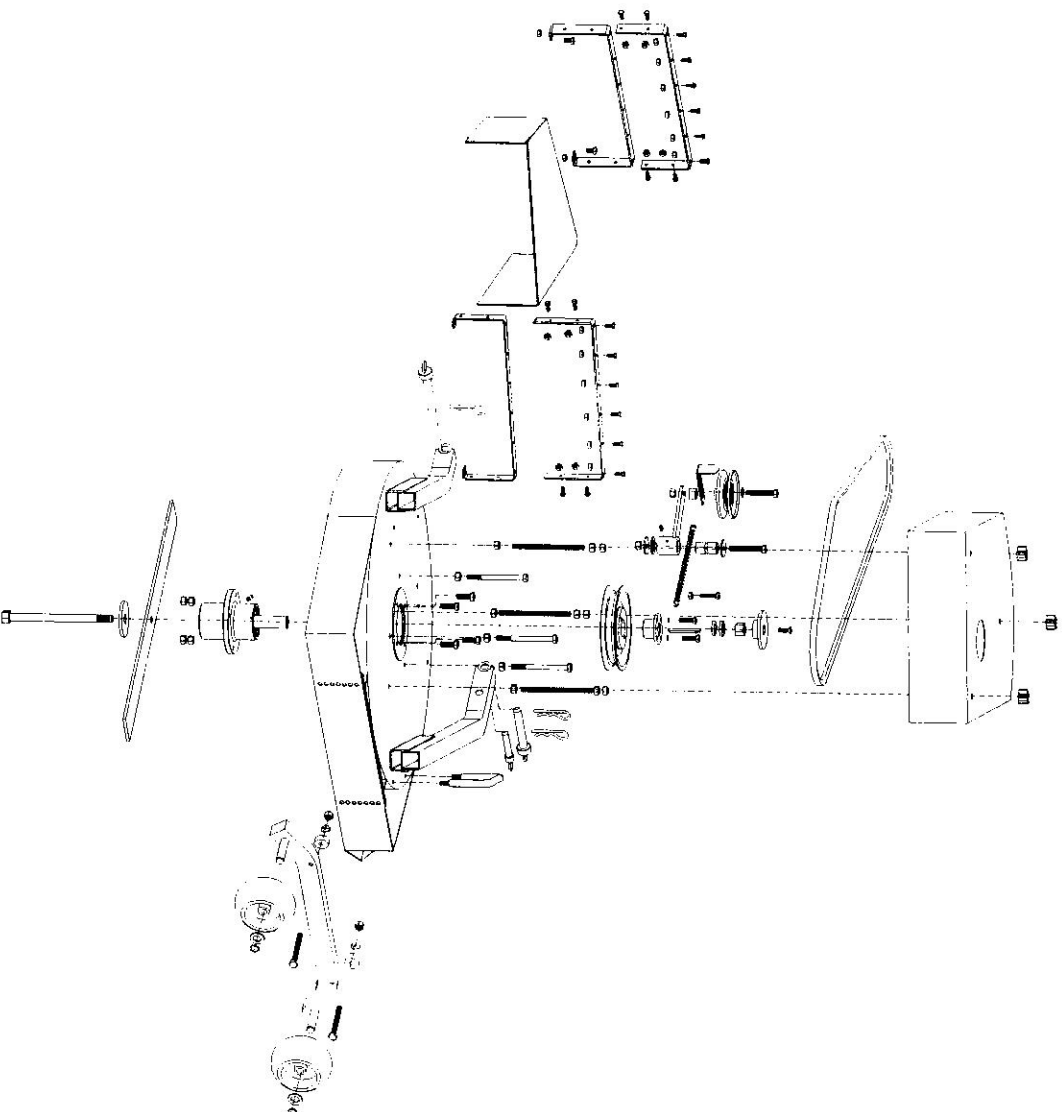

Rev1.23.Jul.2012

100TB Left Wing Parts Diagram

100TB" Left Wing Parts Diagram Key		
Item #	Gxi Part Number	Description
1	SP12-000332	Wing guard assembly, 100TB, left, grey, include left guard, label, 3 knob...
2	M10-001105	Belt MXV5-770..
3	SP13-000399	Idea pulley clutch assembly, 100T wing, complete clutch mechanism with all hardware and rod...
4	SP13-000400	Wing deck pin kit, include pivot pin, height adjust pin and three cotter pins
5	SP12-000346	Soft guard assembly, 100T, left, include hardware and so on...
6	SP12-000337	Hardware kit, 100T wing, blade bolt, washer, spacers, and nut.
7	SP13-000401	Mulching blade, set of 2, 100T...
8	M10-000928	Cast Steel Spindle Assembly
9	SP13-000352	Tow behind wing mower wheel carrier assembly, orange, include carrier and two wheels with hardware...
10	SP13-000405	Wing deck belt retainer kit, include bolt, nut and so on
11	SP13-000406	Pulley, 100T, wing deck pulley and taper lock bushing and hardware....
12	M10-000458	Scaping wheel, Z, W, 5" plastic.....
13	SP12-000333	Wing nylon disk assembly, 100T, include BEAST label, disk, hardware...
14	M10-001006	wing deck - L - Orange..
15	SP13-000367	Deck lift handle, walk behind, vinyl coated with hardware, sets of 2
16	SP11-000086	Hardware kit, Z, W, spindle fastening, set of 4 bolts and nyloc nuts..
17	SP12-000265	Hardware Kit, Tow Behind Wing Mower Wheel Assembly -Includes Wheel Carrier Fasteners And Snap Rings (M11409)

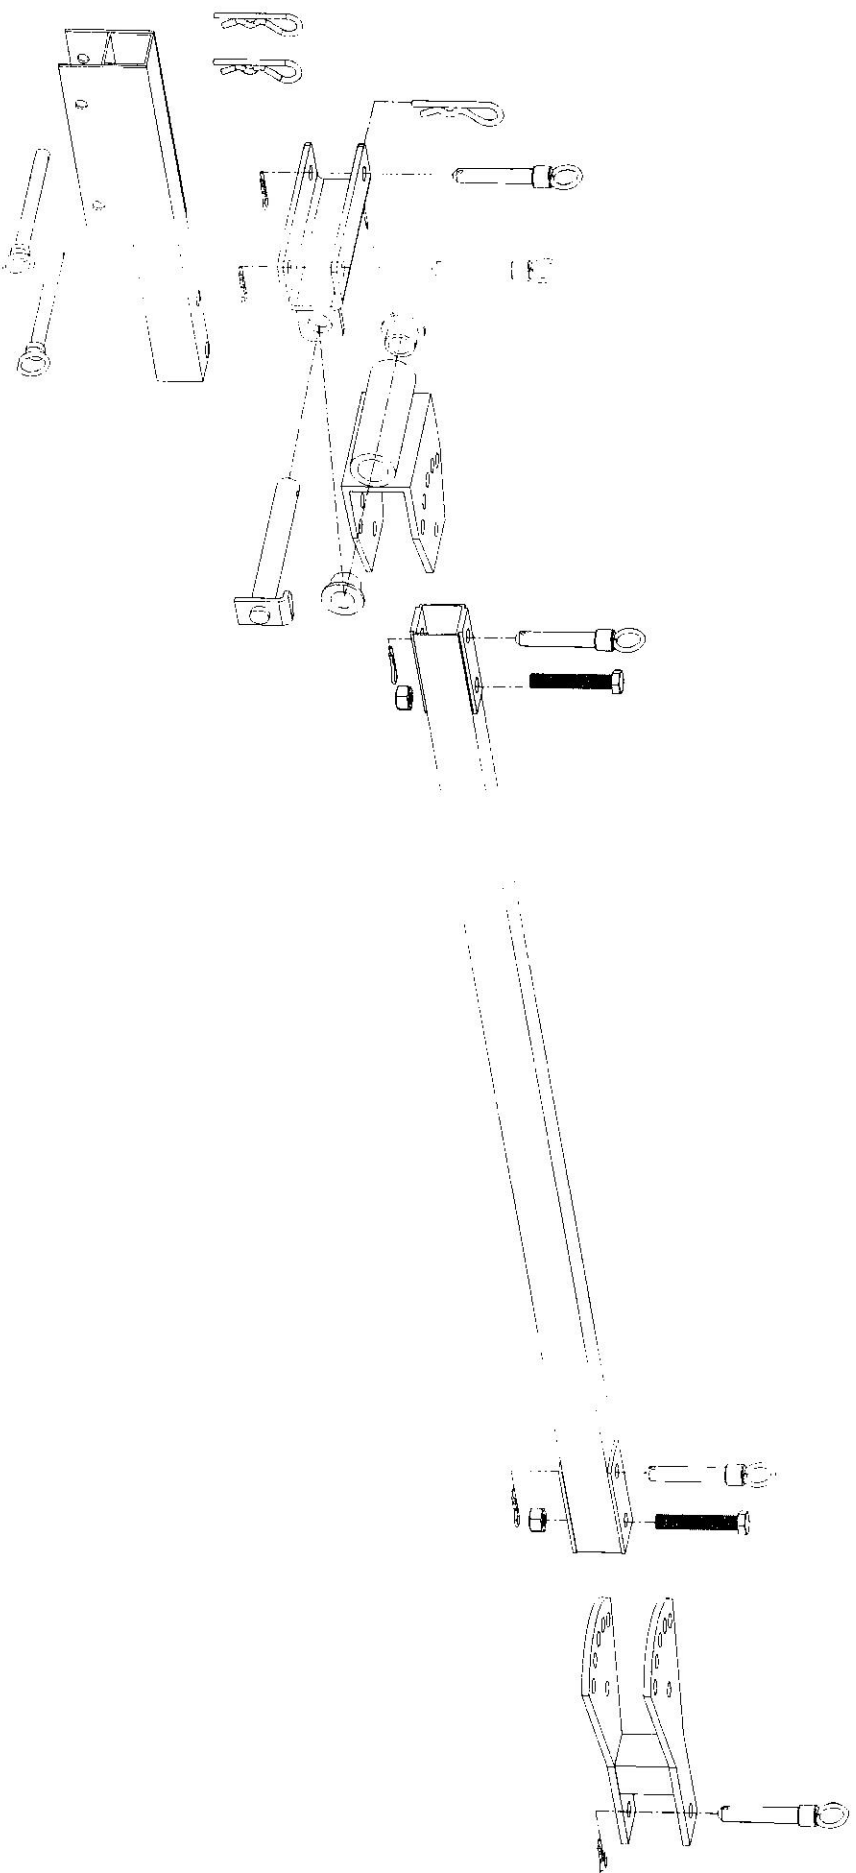

100TB Right Wing Assembly Reference

Rev1.21.Jul.2013

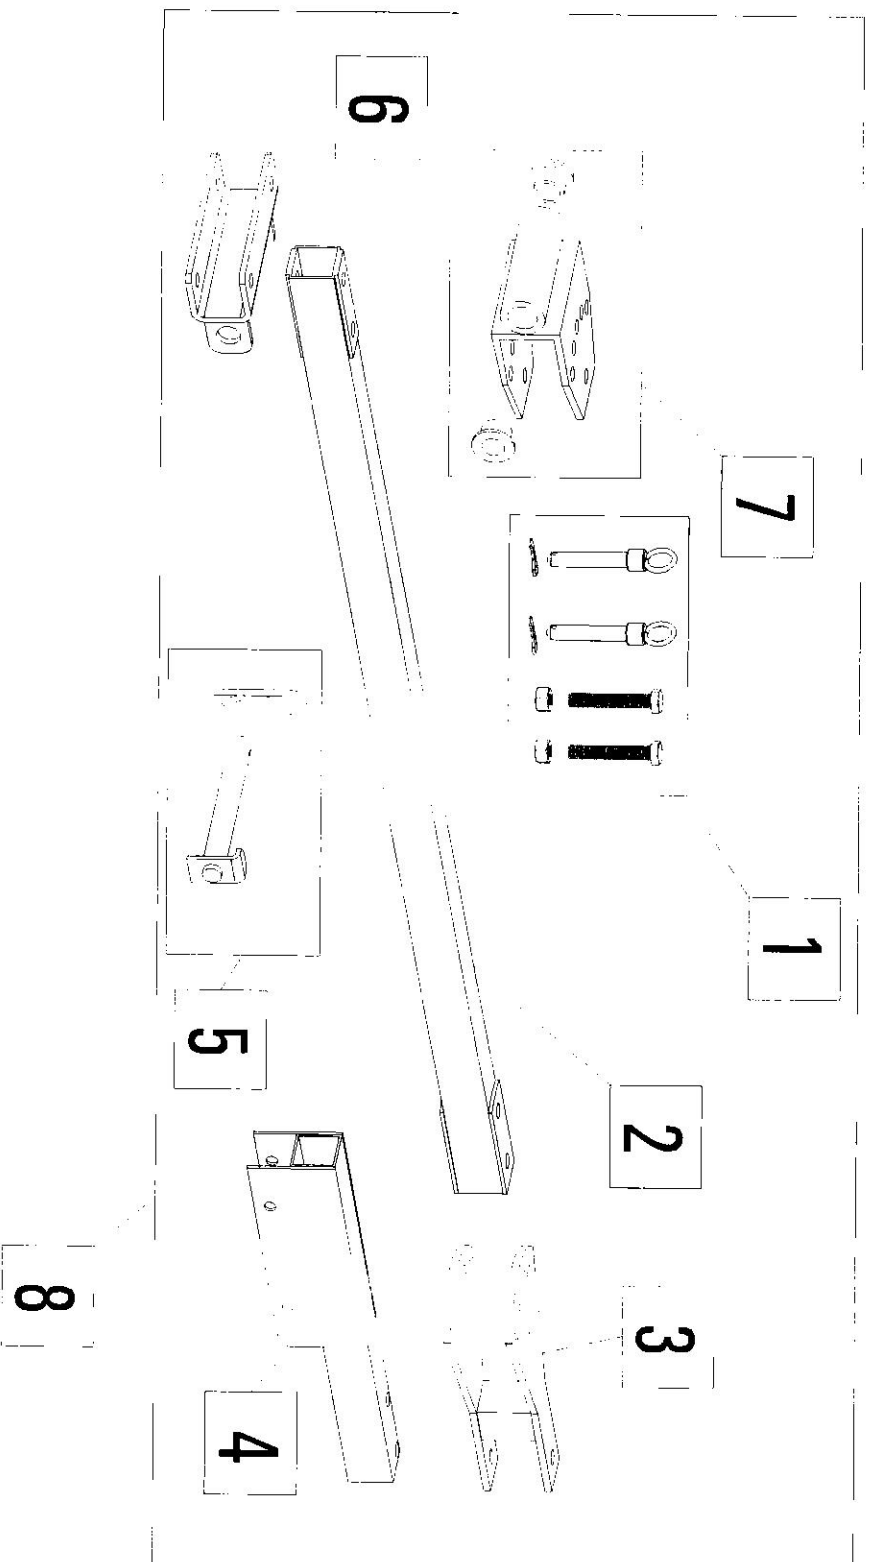

100TB" Right Wing Parts Diagram Key		
Item #	Gxi Part Number	Description
1	SP12-000334	Wing guard assembly,100TB, right, grey,include right guard, label,3 knob...
2	M10-001105	Belt MXV5-770..
3	SP13-000399	Idea pulley clutch assembly, 100T wing,complete clutch mechanism with all hardware and rod...
4	SP13-000400	Wing deck pin kit,include pivot pin, height adjust pin and three cotter pins
5	SP12-000347	Soft guard assembly, 100T, right, include hardware and so on...
6	SP12-000337	Hardware kit, 100T wing, blade bolt, washer, spacers, and nut..
7	SP13-000401	Mulching blade, set of 2, 100T ...
8	M10-000928	Cast Steel Spindle Assembly
9	SP13-000352	Tow behind wing mower wheel carrier assembly, orange,include carrier and two wheels with hardware...
10	SP13-000405	Wing deck belt retainer kit, include bolt ,nut and so on
11	SP13-000406	Pulley, 100T ,wing deck pulley and taper lock bushing and hardware....
12	M10-000458	Scalping wheel, Z, W, 5" plastic
13	SP12-000333	Wing nylon disk assembly,100T,include BEAST label,disk,hardware...
14	M10-001004	wing deck - R - Orange..
15	SP13-000367	Deck lift handle, walk behind, vinyl coated with hardware,sets of 2
16	SP11-000086	Hardware kit, Z, W, spindle fastening, set of 4 bolts and nyloc nuts..
17	SP12-000265	Hardware Kit,Tow Behind Wing Mower Wheel Assembly -Includes Wheel Carrier Fasteners And Snap Rings (M11409)

100TB Tow Bar Assembly Reference

Rev1.21.Jul.2013

100TB Tow Bar Diagram

100TB Tow Bar Diagram Key		
Item #	Gxi Part Number	Description
1	SP13-000396	Tow bar hitch kit, include two hitch pins and hardware
2	M10-001076	tow bar - orange..
3	M10-001078	tow bar hitch - orange..
4	M10-001080	tow bar frame extension - orange..
5	SP13-000397	Tow behind hitch pin, pin connecting tow bar to power equipment
6	M10-001086	hitch to frame connector - orange..
7	SP13-000432	Tow hitch connector kit, orange,include tow hitch connector and two nylon bushing
8	SP12-000330	Hitch assembly, 100TB, orange, assembled with all connecting pins

100TB Right Wing Parts Diagram
